

SENIOR SELECTION PROCEDURE

Senior Selection Procedure

There will be two selection panels – one for men and a separate one for women.

Each selection panel shall consist of coaches and captains from all senior teams. The Senior Coach will be the Chairman of Selectors. The Junior Coordinator may also be included where a junior is required to play seniors.

Juniors being considered for senior selection must be selected within the confines of the *Juniors Playing Seniors Policy*.

All players registered for seniors will be selected within the confines of the *Senior Selection Policy*. The Registrar is responsible for circulating a full eligible player list to the selection panels prior to first round of fixtures and is required to maintain and circulate list throughout the season.

Senior Coaches of the Ones will make preliminary selections on Tuesdays.
